Exquisite Holiday Decorations

Holiday Centerpiece

☐ ITEM NOT AVAILABLE IF CHECKED

Crafted from several varieties of lush and fragrant Minnesota evergreens, our wicker basket is filled by skilled designers to provide a long-lasting decoration for indoor use. Balsam fir, pine and cedar are intermingled for a luxurious addition to anyone's Holiday decor.

Decorations include a large stem of red cherries, several natural pine cones, cluster of birch tips and a beautiful multi-loop MAGIC-PULL decorator bow.

All our components are carefully assembled within a wicker basket that holds a plastic liner and large piece of wet floral foam that can be watered periodically to keep the centerpiece fresh during the Holiday Season - NO LEAKS OR SPILLS EITHER!

Neatly packaged in a specially designed box to insure safe arrival.

NOTE: About 13" high - materials may vary somewhat due to availability. MAGIC-PULL decorator bow comes separately and is quickly and easily assembled and attached by customer.

Holiday Evergreen Ball

☐ ITEM NOT AVAILABLE IF CHECKED

Our **Holiday Evergreen Ball** is constructed of fragrant balsam fir that measures approximately 11" in diameter. This hanging decoration can be used both indoors and outdoors. The decorations consist of 8 small white-tipped pine cones with red-berries. The ball is topped with a multi-looped red velvet bow, which is easily constructed with red velvet ribbon on a 4" pick, also applied by customer. The final touch to the Holiday Ball are 8 picks of burgundy and red colored berries that accent the lush greens and white-tipped cones. Individually boxed for your convenience.
